The screening will be followed by a BE
Diversity Council town hall discussion with a
panel of women scientists spanning multiple
stages of academic life on **Friday, January
15th at 1pm PT.**

PICTURE A SCIENTIST chronicles the groundswell of
researchers who are writing a new chapter for women
scientists.

Biologist Nancy Hopkins, chemist Raychelle Burks, and
geologist Jane Willenbring lead viewers on a journey deep
into their own experiences in the sciences.
